

A Guide To GreenPath

Help make a difference in the lives of the people you serve.

Life Changes

We can do a **Spending / Budget Review** to help develop a plan and provide support through life's ups and downs.

Options for Dealing with Debt

We offer **Debt Counseling** to help ease financial stress, address financial concerns, and develop a plan for living a financially healthy life.

Understanding Credit

We can walk through a **Credit Report Review** to assist in developing strategies to help meet credit goals and create opportunities.

Managing Housing Needs

We can help provide advice for current housing situations and help prepare for the future with our **HUD Approved Housing Counseling Services**.*

Student Loan Questions

We will help explore options with our **Student Loan Counseling** services.

All conversations with GreenPath employees are confidential.
*GreenPath is an approved U.S. Department of Housing and Urban Development housing counseling intermediary.

Connecting the people you serve to GreenPath is quick and simple!

"I can get you in contact with our trusted non-profit partner, GreenPath.

They will work with you to take a look at your financial goals and develop an action plan for reaching them.

It only takes a few minutes to create a profile and their sessions are confidential."
