

# Join Us!

*RAISE Texas is a statewide coalition of nonprofits, financial institutions, public agencies and community leaders working to create asset building opportunities for low- and moderate-income Texans.*

When you become a member of **RAISE Texas**, you join a coalition of committed practitioners and community leaders dedicated to helping Texans save, build assets, overcome financial obstacles, and address systemic barriers to economic mobility.

## **Become a member today!**

For a limited time, RAISE Texas membership is available **at no cost** to Texas-based nonprofit organizations and individuals. This accessible membership opportunity is made possible by support from our Contributing Members. Join now and your membership benefits will continue through December 2022.

## **Benefits of RAISE Texas membership**

***Joining RAISE Texas gives you access to connections, information, and expertise! RAISE Texas helps United Way of Metropolitan Dallas connect with the best ideas, programs, practices, and policies to increase the economic resilience and mobility of the communities we serve. In addition, we benefit from being part of a diverse network of organizations from across the state of Texas that share the same mission. RAISE Texas cultivates national research and analyzes trends to help member organizations design and implement new programs that increase impact and work best in and for Texas.***

*- Greg Mangum, Vice President, Economic Mobility, United Way of Metropolitan Dallas*

***The support and resources we get from RAISE Texas assist us in our mission to continue providing personal financial sustainability opportunities for families in the Rio Grande Valley.***

*-Gloria Santillan Casas, Building Financial Capacity Coalition, Brownsville*
